

Working safely during coronavirus

Our first priority is to continue to protect the health, safety and wellbeing of our customers and employees. To support this, we have introduced practical measures in line with government guidance.

Before you arrive to site:

- Book site visits in advance (ideally with two weeks notice). A maximum of four people are permitted on site at any one time to ensure safe distancing.
- Bring appropriate personal protective equipment, including a face covering. If you require a protective mask, please let us know before you arrive on site.
- Ensure you complete our full safety induction before arrival.

While you are on site:

- Maintain social distancing of two metres at all times.
- Adhere to the designated one-way system.
- Make use of additional sanitation facilities now available on site.
- Bring your own cutlery, plates and cups and disinfect surfaces before and after use with the wet wipes provided.
- Use online meetings where possible (our meeting room at Gorthleck is open, whilst our room at Bo'ness remains closed).

To book a site visit please contact:

Rebecca Skuce on 07483 143439 or at rebecca.skuce@scottishwater.co.uk
